**3. COMMENTS BY THE GENERAL PUBLIC**

There were no comments from the Public reference any of the agenda items.

4. **COMMITTEE BUSINESS**

- A. **Receive an update on recent traffic studies in Laughlin and recent work orders submitted to Public Works and take any action Deemed appropriate.**

**Fred Doten** started the discussion by asking all to turn to the chart.

**No Sidewalk along Mesquite Lane.** **Fred Doten** noted that **Kaizad Yazdani** indicated that a walking path could be constructed on the north side of the road. **Fred Doten** said there was nothing new reference this decision.

**“No Parking” Signs:** **Fred Doten** noted that he had received an email from **Kaizad Yazdani** that removing the 2-way left turn lane and replacing it with a single white line was in the planning. **Fred Doten** noted there were no further correspondence on this decision.

**Restriping of white lines on Needles Hwy:** **Fred Doten** noted that he did not feel anything would be done to restripe Needles Highway, but that he was going to leave it on the list for the short term.

**Inoperable Street lights:** **Fred Doten** noted that there had been some delay in getting lights repaired; however, he feels progress was being made. He noted that overall CCPW was doing a great job in repairing nonoperational street lights

**New sign for Chamber Access Road:** **Fred Doten** said that to date nothing had been done reference installing these signs. He would follow up on this over the next month

**El Mirage Drainage at Banyon:** **Fred Doten** noted that **Kaizad Yazdani** had sent an email saying this erosion issue had been forwarded to engineering. **Fred Doten** said he needed to contact **Joe Yatson**.

**Stripping Coming Loose:** **Fred Doten** noted that there were additional strips coming loose at the Cougar/ Bruce Woodbury intersection. The only other issue is at the intersection of Thomas Edison with Hwy 163. **John Pantages** confirmed that as of this morning it still needed to be repaired.

**Sign hidden on El Mirage:** **Fred Doten** noted that Public Works intended to move the sign out on the other pole; however, nothing had been done to date.

**Road Repair Priorities:** **Fred Doten** noted again that this priority listing had still not been addressed by the LTAB. He felt nothing would be provided in the short term on the status of road repair.

**Erosion by Walking Path on El Mirage:** **Fred Doten** noted that he had not done anything on this issue but would have a status by the next meeting.

**Erosion on Bruce Woodbury:** **Fred Doten** noted that he had not submitted a paper on this issue. He said this would be submitted shortly.

As this exhausted the list, **Fred Doten** asked if there were other areas that need to be addressed. **John Pantages** brought up that there were Potholes developing on Thomas Edison and needed repair

- B. **Discuss Zone Inspections and take any action appropriate:** **Fred Doten** noted that the reports were being submitted and issues were slowly getting repaired. He noted that the committee just needed to continue pushing for things to get complete.
- C. **Discuss presentations for upcoming months of 2016 and take any action deemed appropriate.** **Fred Doten** stated that he wanted to get Nevada Energy to our next

meeting and possibly CCPW at our June meeting. He asked if there were any other suggestions. None were offered.

..
